

Bryony Redhead

Graphic Designer

I have a profound love of the conceptual, an eagle-eye for details, and the belief that being an expert in something means you're no longer learning.

Work Experience

Senior Designer at Owen Jones & Partners, 6/2019–present

*Adjusting to the various scales, teams, and paces of **brand identity** work, while remaining grounded in strategy*

*Being a liaison and a partner to developers on **website design** and maintaining the stamina for the precision required at every stage of web development*

*Supporting **Jordan brand**'s digital platforms on a daily basis, requiring a knowledge of the brand, the marketplace and the consumer, adapting visual centers to scale to a global level and knowing when to stretch beyond them*

Hosting entertaining and educational creative team gatherings (ask me about John Baskerville's corpse), facilitating a women's affinity group, and being an active member of Whisky Club and Leadership Council

Marketing Designer at SagaCity Media, 9/2016–6/2019

Branding and campaigns for events, sales materials, editorial design, corporate collateral

Hiring and managing interns, onboarding designers
